

Alton Shore Association Dues (Updated 2022)

At the 2021 Alton Shores Association meeting the Members voted to increase the Alton Shores Association dues \$100 to **\$275 annually starting in 2022**. All property owners in Alton Shores are automatically members of the Alton Shores Association according to their deeds and have rights to certain amenities including access to Association-owned beaches, private roads, wells, and common properties. Whether or not Owners chose to use Association amenities does not impact their membership in the Association.
